SUBJECT: TULARE COUNTY IN-HOME SUPPORTIVE SERVICES (IHSS)
MANAGED CARE/CAPITATION DEMONSTRATION PROJECT

We have finalized the report from our second monitoring review of the Tulare County Managed Care/Capitation Demonstration Project, including two control counties - Ventura and Merced.

On November 1, 1992, Tulare County entered into a contract with National Homecare Systems to conduct a Managed Care/Capitation Demonstration Project. The purpose of the project is to show that Tulare County can provide efficient and effective services for each IHSS recipient by contracting with a home-care agency to serve all eligible recipients in the County with no increase in funding beyond the regular program allocation.

The first review was conducted in March 1993, with the report finalized in June 1993.

Copies of the second review may be obtained by writing to:
